

AFS Scholarships

The West Michigan Chapter of the American Foundry Society acts as a voice to promote the metal casting industry in the West Michigan area. The funds received from this year's golf outing will help the chapter provide financing, materials, scholarships and instructors to high schools and colleges in an effort to aid in the creation of tomorrow's metal casting leaders.

The West Michigan Chapter Board of Directors would like to THANK all the gollers, sponsors, volunteers and staff for supporting the 84th Annual West Michigan Golf Outing. The weather was great, the company fabulous and the day filled with fun! We raised approximately \$25,000 after expenses!

Donations Needed:

Door Prizes -\$10-\$20 in value!
